

Herbert A. Gears
Mayor

On behalf of the City of Irving, its residents and employees, I extend a warm welcome to the attendees of the 2010 Annual Dragon Boat, Kite and Lantern Festival and the attendees and participants. I hope that you enjoy the wonderful food and the Dragon Boat race.

Thanks to the incredible initiative of the Marco Polo World Foundation and their partners, the festival has been a great success for three years running! Members from all varieties of communities enjoy the festivities and participate in this 2000-year old tradition of the Asian culture.

Once again, welcome to the Dragon Boat Festival and enjoy your day on Lake Carolyn in Irving.

Sincerely,

A handwritten signature in blue ink that reads "Herbert A. Gears".
