Greetings and felicitades.

Congratulations to all of the organizers and participants of the 2013 Annual DFW Boat, Kite and Lantern Festival. What a wonderful way to celebrate Asian-Pacific American Heritage Month.

I would like to thank the Marco Polo World Foundation for their focus and promotion of intercultural engagement and understanding with this annual event.

As your representative on the Dallas County Commissioners Court, it is a great honor to represent the citizens of Irving and support all participants in this year's festival.

Congratulations and best wishes for a fun-filled day!
