Dear friends,

I would like to give my warmest greetings to you all on the occasion of 2013 DFW Dragon Boat, Kite and Lantern Festival. We are gathering at the moment for celebrating Asian-Pacific Heritage Month, for sharing long history and colorful cultures of Asia, and China as well, for showing talents and team spirit, for having fun. The organizers of Marco Polo World Foundation and their supporters and sponsors have made great contributions to stage and enrich diversified cultures of the world and further mutual understanding among the local communities. It is the most appreciative.
